
LMHI CONGRESS 2018

POSTER PRESENTATION GUIDELINES

POSTER SPECIFICATIONS

Size: A0 841 x 1189 mm 33.1 x 46.8 in

Orientation: Portrait

Display: All materials for hanging and fixture of posters will be provided by LMHI 2018 at the venue

POSTER DESIGN

The easiest way to create a poster is to use PowerPoint, then select A0 as the page size. You can then present your work with a series of text and/or images in any format, including columns, boxes etc. The file can then be printed up by your local printer shop.

We do not require the electronic version of your poster, but you are welcome to send to presenter@lmhi2018.org.za.

For information consult: "[How to make an academic poster](#)".

POSTER PRESENTATION

Please consult the provisional / final LMHI 2018 Scientific Programmes for time / session details when when and where you will be expected to stand by your poster.

POSTER ASSEMBLY

All posted accepted for presentation must be put up on the provided poster presentation areas on **06 September 2018** from **07h15-08h30**.

Posters may be taken down on **08 September 2018** between **07h15-08h30**.
